UNSTARRED QUESTION NO:4299
ANSWERED ON:16.04.2001
CLEARANCE TO IRRIGATION SCHEMES
RAMANAND SINGH

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) the details of irrigation schemes of Madhya Pradesh which are pending clearance with the Union Government at present, district wise;

(b) the time by which all the irrigation schemes of the said State are likely to be cleared;

(c) whether the work of Patna Reservoir Scheme in Satna district has been completed; and

(d) if so, the details of progress made so far?

Answer

MINISTER OF ENVIRONMENT AND FORESTS (SHRI T. R. BAALU)

(a) and (b) As per the records available, of all the irrigation schemes submitted by the Madhya Pradesh Government for forestry clearance during the last three years from 1998 to February 2001, no decision could be taken on two proposals namely construction of Sumeri tank in district Guna and Naharkhedi irrigation project in district Indore as wanting details have been sought from the State Government on 16.8.1999 and 21.12.2000 respectively. As wanting details have remained unfurnished by the State Government till now, no time limit can be fixed for clearance of these projects.

(c) and (d) The Ministry has not received the proposal for forestry clearance of Patna Reservoir Scheme in Satna district from the State Government.
